Promotions Chair for Sierra Singles -- It Could Be You! Do you have fresh ideas on ways our section can promote our events & find new members? Even if you don't have fresh ideas, are you willing to devote a little bit of time? We have a Board position opening up for a new Promotions Chair. The Promotions Chair sends notices of our events to the local newspapers, The Reader & Craigs List for publication. (The outgoing Promotions Chair will furnish you with the e-mail addresses & websites.) If you can drop off copies of The Happenings in local libraries & stores like REI or Adventure 16, that would be great! (but is not required). The Promotions Chair also meets a lot of great people at the Sierra Club booth on Earth Day at Balboa Park. Thanks, Gary Washington (Membership, acting editor, acting chairman)

Trip Grading System: **The first letter shows the general difficulty of the trip.**

E – Easy: Anyone in reasonable condition can do this trip.

M – Moderate: You must be in good shape, and previous hiking experience is recommended.

H – Hard: You should have comfortably done several moderate trips before tackling this. Look carefully at the mileage and elevation gain.

S – Strenuous: Talk about this trip with the leader. A fast pace may be required, besides other challenges.

V -Very Strenuous: This is for very experienced hikers. You may encounter difficult terrain. Don't try it until you are ready.

The number after the first character is the distance in miles (on multiple day trips it is for the longest day). For instance, M9B is a moderate 9-mile hike.

The last letter shows the elevation gain. For multi-day trips, the grade is the day with the most elevation gain. For example H12D is a hard 12-mile hike with a 2,000-3,000 foot gain:

A - Less than 500 feet gain C - 1000 to 2000 feet gain E - more than 3000 feet gain

B - 500 to 1000 feet gain D- 2000TO 3000 feet gain Advance reservations are required when a “**” appears in the header or when the write-up states to contact the leader.

A quick reminder --any member may sponsor events (not hikes) and list them in *The Happenings*. Please send the event to escalagal@san.rr.com for publication. Hikes should be sent to doug.nolff@gmail.com
